

Office Presentation *Packs*

What's taxx.lu?

File your Luxembourg tax return fast and stress-free. With no expertise needed.

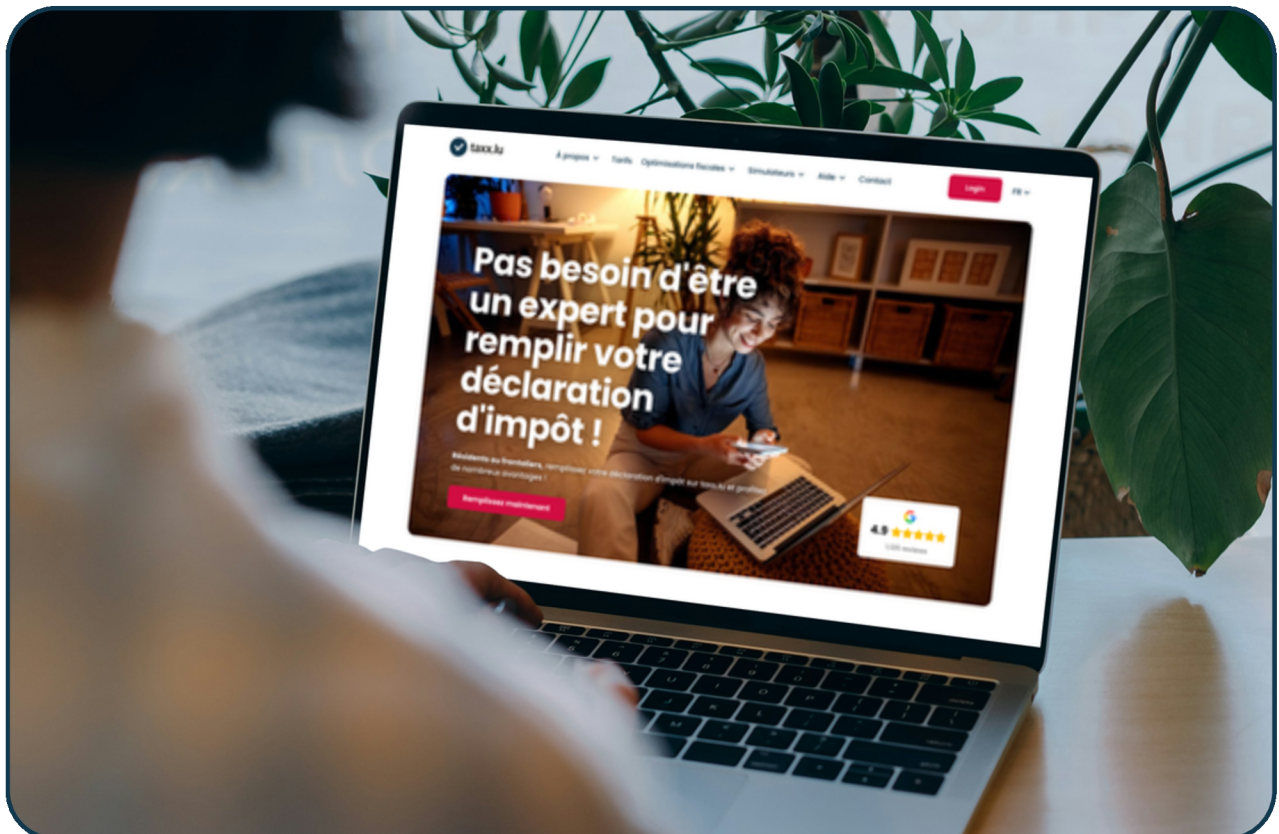

Most people in Luxembourg leave money on the table every year simply because filing a tax return feels too complicated. ***taxx.lu changes that.***

Our online platform guides users step by step through their tax return, automatically identifies deductions and optimisations, and delivers an instant refund estimate, all in under 30 minutes on average.

Whether your employees are residents, commuters, or expats, taxx.lu makes tax season easy.

See our office presentation packs overview on the next page.

Bronze Pack

Online

A taxx.lu tax expert hosts a **live online session** covering the Luxembourg tax system and key tax optimisation strategies. Employees can submit their questions ahead of time so **the content is tailored to their needs**.
